SUBMISSION OF SUBSTITUTE DECLARATION

U.S. Patent and Trademark Office
2011 South Clark Place
Customer Window, Mail Stop Patent Application
Crystal Plaza Two, Lobby, Room 1B03
Arlington, Virginia 22202

Sir:

This paper is submitted to cure a deficiency in the Declaration filed with the original application papers. In the Declaration, claims for priority were made to the following foreign applications: Korean Patent Application No. 38677/2002 filed July 4, 2002 and Korean Patent Application No. 52870/2002 filed August 30, 2002.

The first priority application was properly identified but the second application was misidentified as a result of a typographical error. In order to cure this deficiency, a Substitute Declaration executed by the named inventors has been submitted with this paper. The Substitute Declaration properly claims priority to:

Korean Patent Application No. 38677/2002 filed July 4, 2002

Korean Patent Application No. **51870/2002** filed August 30, 2002

A certified copy of the first priority document was filed with the original application papers. A certified copy of Korean Patent Application No. 51870/2002 has been submitted with

this paper.

Applicants submit that the claims for priority in the Substitute Declaration to both Korean applications identified above (38677/2002 and 51870/2002) have been timely made under the requirements of 37 CFR § 1.55(a), since these claims have been made within the later of four months from the actual filing date of the present application and sixteen months from the filing date of the prior foreign applications.

Please charge any shortage in fees due in connection with this application, including extension of time fees, to Deposit Account No. 16-0607 (Attorney Docket No. SI-0035) and credit any excess fees to the same Deposit Account.

Respectfully submitted,
